Patent Interference No. 105,298  
(From Technology Center 1600)

---

GESELLSCHAFT FÜR BIOTECHNOLOGISCHE FORSCHUNG MBH<sup>1</sup>  
(09/313,524),  
Junior Party,

v.

SLOAN-KETTERING INSTITUTE FOR CANCER RESEARCH<sup>2</sup>  
(6,242,469 B1 and 6,284,781 B1),  
Senior Party.

---

**REDECLARATION - Bd.R. 203(c)**

By TORCZON, Administrative Patent Judge.

The interference is redeclared for the limited purpose of changing claim correspondence as follows:

524 claim 15 does not correspond to count 1; and

524 claim 21 does correspond to count 1.

The undesignation of claim 15 is without prejudice to an examiner subsequently demonstrating that the subject matter of claim 15 would have been obvious in view of the subject matter of the count.
